

South Antrim Hockey Club Return to Play Protocol

Players should ensure they are familiar with [Hockey Ireland Return to Play Protocols](#). The points below are intended as summary only. Whilst these points may appear restrictive, it is important to remember that this guidance has been created by Hockey Ireland in line with current government guidance to ensure that return to play is safe and enjoyable for all involved.

Before returning to play, players and guardians should:

- Ensure they are familiar with the Return to Play Protocols
- Prior to every training session complete our online Covid Health App for your son using the follow link. We are using this app to record attendees for track and track purposes.

<https://covid.oqlist.co.uk/register/choose-club>.

The link can also be found at the top of our website home page www.southantrim.com

From the screen shots of the app below:

Under venue name type South and select South Antrim Hockey Club & click continue.

Enter your child's name, **select their section** (U15, U13 or Minis).

Enter your contact details & click continue.

Complete the COVID questionnaire & click continue.

If you have answer "yes" to any of the questions you will be asked not to attend.

If you have answered "no" to all the questions your child will be added to the roll for that session

At training sessions:

- Players should follow the direction of the coaches at all times.
- Players should report to the COVID-19 Officer before entering the pitch area where they will be signed in against their entry on the online COVID Registration Portal. If you have not registered for your son for the session, they won't be allowed to train. Sign-in will be available 10 mins prior to the beginning of the training session.
Players arriving early/being dropped off should wait in their car until this time.
- Ensure all players are collected on time to aid with social distancing between players arriving for the next session.
- Toilet facilities will not be available unless in an emergency. We ask all players to use their own toilet facilities before attending training.
- Players should sanitise hands prior to entering the pitch area. Hand sanitiser will be provided
- Players will only be allowed to bring the following equipment onto the pitch:
 - Stick
 - Water
 - Hand sanitiser
 - Personal medical equipment
- Players are asked to bring a different coloured T-Shirt as bibs will not be used. Personal equipment should be placed in your stick bag if being brought onto the pitch.
- Dug outs will not be in use. Players should place belongings along the side of pitch, distanced from the belongings of other players.
- Personal equipment including mouth guards and shin guards should not be put on or removed whilst in the pitch area – this should be done prior to signing in. Mouth guards should remain in place for the duration of the session.
- Players are not allowed to touch any equipment, including balls, cones and goals. Equipment will be handled by coaches only to reduce contact by multiple persons.
- Training times will be strictly adhered to and players should leave the pitch as quickly as possible following the session. Players should take care to distance from other players who are leaving the other pitch or are waiting to enter the pitch area for their session.

Please remember we all have a part to play to ensure that hockey is safe for everyone involved and that it is essential to follow return to play protocols at all times. Please be respectful and considerate of all participants – players, coaches and other club volunteers.
